The materials received on the Bill of Lading or Supplement Bill of Lading have been destroyed in full in one or all destruction processes below. [Destruction process varies by material]

Items listed as destroyed on this Certificate of Destruction represent Complete Beverage Destructions translation of the above-mentioned documents received by the customer or transport/logistic company. This translation represents the exact items destroyed on the received documents.

Materials Accepted and Process of Destruction:

- Aluminum: Shredded, Baled and Recycled
- Plastic: Shredded, Baled and Recycled
- Glass: Crushing - Managed through recycling and/or repurposing to meet regulatory requirements.
- Liquid Extraction: All liquids are captured and transported to a water treatment facility.
- OCC: Baled, Recycled

I declare under penalty of perjury that the foregoing is true and correct.

Approval Kyle Kassabaum - Destruction Coordinator

Witness Jake Hansen - General Manager
